WHEREAS, on July 2, 2015 the Township of Brick ("Township") filed a declaratory judgment action, in accordance with procedures established by the New Jersey Supreme Court in In Re Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1, 6 (2015) (*Mount Laurel IV*), seeking a determination that it is in compliance with its constitutional affordable housing obligations under the *Mount Laurel Doctrine* and the Fair Housing Act of 1985, N.J.S.A. 53:27D-301 et seq.

WHEREAS, on December 30, 2016 the Township entered into a Settlement Agreement with Intervenor Fair Share Housing Center which provides, among other things, for mechanisms for the Township to address its affordable housing obligation; and

WHEREAS, one mechanism agreed to by the Parties under the Settlement Agreement, endorsed by the Special Master and accepted by the Court in entering a Conditional Order of Compliance on January 27, 2017, is for the Township to adopt a set-aside ordinance providing for an inclusionary zoning requirement on future multifamily development of ten (10) or more units in the Township developed through planning board approval, zoning board approval, or a redevelopment or rehabilitation plan provided such set-aside requirement does not convey to a property owner or applicant any right to develop multi-family housing by entitlement or variance or impose any obligation on the part of the Township or its land use boards and agencies to approve any such application,

NOW, THEREFORE, BE IT ORDAINED by the Township Council of the Township of Brick, County of Ocean, State of New Jersey, as follows:

SECTION 1. Chapter 245 Part 2 Article V. of the Code of the Township of Brick entitled "Land Use Regulations" is hereby amended, revised, and supplemented in accordance with the provisions of this ordinance.

SECTION 2. A new § 245-42.1 is hereby adopted as follows:

§ 245-42.1 Affordable Housing Set-Aside

A. Requirements for Affordable Housing in Multifamily Residential Developments. All development approvals for new multi-family residential development in the Township shall include a set-aside for affordable housing as described herein.

(1) Purpose. The purpose of these provisions is to supplement Section 245-42 to provide for affordable housing in new multifamily developments in accordance with a Conditional Order of Compliance entered on January 27, 2017 and the Brick Township Housing Plan Element and Fair Share Plan, as adopted by the Brick Township Planning Board on March 22, 2017 and endorsed by the Brick Township Council on April 25, 2017.

(2) Applicability. The requirement for the mandatory provision of affordable housing as set forth in this Section shall apply to all new applications for land use approvals, made after the effective date of this Section, for multifamily residential developments of ten (10) or more units, including applications for use or density variances, site plans, or subdivisions, and applications for land use approvals made pursuant to new or amended redevelopment plan adopted after the effective date of this Section pursuant to a finding of an area in need of redevelopment or rehabilitation. These provisions shall likewise govern substantial revisions to previously approved developments. A substantial revision to a development approval shall, for the purposes of these affordable housing regulations, be any revision that increases the number of multifamily residential units by ten (10) or more units.

(3) Definition of Multifamily. For the purposes of this Section, multifamily residential development shall mean residential development comprising ten (10) or more dwelling units, including, but not limited to, dwelling units that are located one over another, garden apartments, townhouse developments, multistory apartment or condominium buildings, and mixed-use developments containing a combination of non-residential and residential uses.

- (a) When the required set-aside results in a number that is not a whole number, the set-aside requirement shall be rounded to the closest whole number.
- (b) At the developer's option, or per the terms of a developer or redeveloper agreement with the Township, the developer may provide a greater affordable housing set-aside than required by this Section.

The amount of the contribution shall be calculated in accordance with N.J.A.C. 5:97-6.4(c)5.
